

BORN YOGA IS TURNING 4!

Family Yoga Under the Stars

Friday, September 27, 6:45-8:15pm

Your family is invited to help us celebrate during this very special donation-based Family Yoga event. Together we will move, flow, grow, dance & breathe under the stars all while raising money for Childhood Cancer Awareness. The event will conclude with a beautiful lantern release, sending our love & prayers to cancer fighters across the world.

Lanterns will be available for purchase. ALL PROCEEDS will benefit Love, Team Tessa, a local non-profit organization that helps shoulder some of the burden when families need it most- and to help find a cure.

All ages welcome.

The event will take place at the field on the corner of Lincoln & Etan. Please bring a yoga mat or a towel to practice on and wear yellow or gold!

Please RSVP by September 23rd
